At the core of our mission, Catholic Charities empowers individuals, children and families to achieve and maintain meaningful, healthy and productive lives through high quality outcome-driven services— supporting people where they are, with what they need.

Some recent work in our area includes:

- 13,000 individuals who were helped with assistance to meet basic needs
- A 24 hour crisis line answering over 200 monthly calls from victims of domestic violence and sexual assault
- Advocacy and support to over 650 individuals living in Catholic Charities' 468 affordable housing units
- 530 persons looking to improve their marriages and family attended classes promoting healthy relationships
- Finding a path to freedom and self sufficiency for victims of human trafficking who were freed from captivity
- Creating positive activities and healthy peer relationships for over 480 gang involved youth
- Case managers and youth specialists in 23 schools throughout Multnomah County who offer special enrichment activities and parent education to build better families for over 2,000 at-risk children
- Welcoming, housing and assisting refugees from 10 countries

How we change lives...

For 77 years our commitment to help people get back on their feet, and to ultimately stabilize our community, has been strong.

With state and local budget cuts and a recession in place, more people need our services today than at anytime in our 77 year history.

Ninety-two cents of every dollar goes directly to programs and services.

We are very grateful to all who choose to support our mission by making Catholic Charities of Oregon a charitable priority in your life.

One life at a time.
